

Case Study

Demolition

Project Name: Croydon Council, Crossfield House, Croydon.

Project Value: £90,000.00

Project Scope: Strip out on all internal structures and deconstruct roof to main building.

Project Brief

SCK Group Ltd were successful in obtaining the contract for the demolition/ strip out of all internal structures, De-construction of the roof to the main building and removal of all M&E services to Crossfield house Croydon for Croydon Council.

The project was carried out over a duration of 4 weeks and entailed the complete demolition of all non supporting walls, internal offices, complete brick outer skin of the main building along with deconstruction of main roof structure which was carried out in conjunction with a systematic method to ensure the safety of our site operational teams.

We emphasised heavily on the reclamation of materials from site which would be transported back to repurposing unit for retail sale to avoid sending these items to land fill which reflects our ethical sustainability cooperate environmental policy.
